

## THE GILGAL VISITORS EDUCATION CENTER AT MOSHAV ARGAMAN

*How good are thy tents, O Jacob, thy dwellings, O Israel! Like palm groves that stretch afar, like gardens beside a river. (Numbers 24:5-6)*

### Letter of Covenant

Dear Friends,

We are happy to announce the opening of the Gilgal Visitors Education Center in Aravat HaYardan.

Special and heartfelt thanks are due for the combined contributions of Bonnie Lee Migdal of Washington, D.C.; Byron and Tammy Stinson of Father's House Educational Foundation in Glen Rose, TX; and to many more anonymous and faithful benefactors. These have given not only their money but also their spiritual strength through energetic belief in the vision of this project. They have stood and will continue to stand with us in this unique endeavor.

With the signatures below, the Gilgal Visitors Education Center gratefully receives the blessings and validations of the State of Israel Minister of Tourism, Ancient Pathways Travel, Moreshet Heritage Israel Foundation, Reshit Yerushalayim Foundation, Ubenei Yerushalayim Foundation, as well as Father's House Educational Foundation and Mountain Movers Foundation in the USA.
