# hello,

Every time that we have been in the land, we have learned BIG THINGS! Our God is balanced, teaching us in spirit and truth. In the land His messages are clear and deep. Our Journey has helped us become balanced and tuned to His voice. Please follow His leading and move! I can't wait to see what He does on this trip. How He chooses to teach us, and mold us, and challenge us to put down our guard and conform to His truths.

*-Sammy*

Ladies, it's so much more than a trip. Before my first journey to Israel, I didn't even want to go. But it was not about me. It was about God. My first day there, God's word took on new life in my heart and everything changed. This is what I want for you. Is God calling? Then, come! Come and walk, learn, link with like-minded women, and especially...pray. Let's drink together from the Lord's springs of living water in His Holy Land. Be ready to be changed forever.

*-Roxie*
